

Campaigning for Warm Homes

CORE - Rural Off-gas Energy Champions Initiative

Expression of Interest Form

The CORE initiative will be of particular interest to frontline staff within organisations that engage with the public on a day-to-day basis including those in the health and social care sector, information and advice providers (including CABs, DWP, money and benefits advice etc), the Fire and Rescue community safety services, housing and tenant support, community development providers and those working in voluntary and community groups. We particularly welcome expressions of interest from those who come in to contact with older people, those with young children or those living with illnesses or disabilities.

Please complete and return this expression of interest form as directed.
